Fix your items

Work with skilled volunteers to repair instead of replace.

Reduce waste

Small fixes can have big impacts. Why buy new when you can repair?

Learn new skills

Learning how to sew on a button can inspire entirely new skill sets!

What to bring

At this event, we will have people on hand to repair:

- Small electronics
- Small home appliances
- Clean clothes and textiles
- Computers
- Knife sharpening
- Bicycles

Some repairs may not be available at every event or may require a part we don't have. To inquire if an item can be repaired, please email sustainability@clackamas.us.

To reduce the wait time for each attendee, one broken item per person will be examined at a time.
